You won't want your students to miss this popular fall event!

Fall Blast is an outdoor retreat for children in grades three through five and is filled with learning, fellowship and fun. It is imperative for children in this age group to have opportunities for spiritual growth and Christian fellowship. We wish to partner with you in making Fall Blast an enjoyable, Christ-centered experience.

Event Theme: Love Lives

Through skits, songs, games and Bible study, our children will focus on the text from 1 John 3:16 “This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers and sisters.”

Group Registration

Fall Blast is designed for groups. Prayerfully consider whether your Children's Ministry group or the children in your church would benefit from this time away.

Church groups are expected to provide at least one male and one female chaperone; more chaperones may be required depending on your group size. Group leaders are expected to supervise and be with the children the entire weekend and are encouraged to participate in activities. Group leaders are also responsible for medical care for their children throughout the weekend retreat.
