Ready to Serve
Plan Now for Summer 2017

By now you are into the school year routine and maybe you have some wonderful memories from your summer. Hopefully, some of those memories include time spent at Camp Lone Star (Lutheran Outdoors Ministry of Texas) as a camper or even a Junior Staff member.

As you look forward to the summer of 2017, consider serving your Lord through LOMT and Camp Lone Star as a Junior Staff member.

The 2017 Workshop is January 27-29, at Camp Lone Star in La Grange.

The LOMT Junior Staff Workshop is offered January 27-29, 2017, at Camp Lone Star. The workshop allows teens ages 15-18 to get a firsthand look at day-to-day camp life serving as a Junior Staff member.

Serve Your Lord as an LOMT Junior Staff Member Next Summer

Check-in: Friday, Jan. 27, 8-9 p.m.

Check-out: Sunday, Jan. 29, 11 a.m.

If you are unable to attend a workshop but are interested in serving as a Junior Staff member during 2017, please go to our website www.LOMT.com or contact the camp office for an application form.

Summer 2017

Whether you are a potential Junior Staffer or a veteran of one or more summers, you are invited to attend the LOMT Junior Staff Workshop. Veterans of the program will reunite with fellow junior staffers and everyone will get a chance to fellowship, work, and grow in God's Word.

The workshop will be held at Camp Lone Star January 27-29. We will begin with ice breakers, games and finish Friday night with a "CLS style" evening devotion.

Saturday is spent working on various work projects around camp and learning more about what role the Junior Staff play in ministry during each summer session.

The weekend concludes on Sunday with a closing devotion and a Q & A session for any unanswered questions about the program. Parents are invited to join us at 9:30 a.m. on Sunday to be part of both.

Participation in the workshop is not mandatory for Junior Staff selection, nor does it guarantee selection. It is beneficial in that it allows those interested in applying for the Junior Staff program the information needed to better understand the role, responsibilities and expectations of the position.
