Just For Young Teens

Journey (ages 12-14) is a camp week dedicated to capturing the lost "Rite of Passage" transition that was so common in the past between youth and adulthood. Campers will be challenged with the ideas of what it is to become a man or woman of God. This will be accomplished through focused Bible study, Challenge Course, and special activities in cabin groups and day groups that support these concepts.

Always Popular, Always Great

Omega (ages 13-18) is centered around the energy and interests unique to teens. With lots of large group activities, this week is sure to encourage close bonds and friendships that may last a lifetime. You will be challenged to grow into men and women of God led by college-age mentors already walking their faith.

Includes Off-Camp Outdoor Adventures

Adventure (ages 13-18) offers campers the chance to live and cook and play in God's great outdoors. Two and a half days and two nights of the week-long session will be spent at Colorado Bend State Park where leaders from Ascend Outdoor Adventure will offer hiking, caving, rock climbing, and other potential activities.

Challenge Course Activities Offer Growth

Alliance (ages 13-18). Challenge, commitment, care and choice are the 4 Cs that summarize the values we center our actions and discussion around during challenge course activities. You'll spend a significant amount of time every day in challenge course activities. The week will push you mentally, emotionally and physically as you're challenged to grow in your relationships, spiritual life and personal character.
