The next Camp Lone Star Auction is July 29, 2018.

Your help is needed in securing items for the Annual Camp Lone Star Barbecue and Benefit Auctions. The revenue that this brings will further the programs that can be done through Camp Lone Star!

All donor names will be announced and/or displayed with auction items. Donated items are also tax deductible as provided by law.

Experience has shown us that successful auction items can be anything from certificates to hand-made goods. As a general rule, the more unique a gift, the better it will do. Multiples of an item tend to "water down" the desire to bid. We reserve the right to hold a duplicate/similar gift until next year's auction and to use any gifts in either the live, silent or online auction in order to keep the interest level up for all items. Items are considered in-kind donations to LOMT.

Thank you for any help you can give us!

Fair Market Value (FMV)*

***The fair market value (FMV) is generally how much it would cost to replace this item with a similar one. If you purchased the donation at a discount off its tagged price, could another person also purchase it at that price? The FMV of an original piece of fine art (painting, etc...not a 'craft') is the final bid price. The FMV of food items is the price you could expect to purchase a similar item in a grocery store. Buyers can only claim as a charitable gift tax deduction the amount that they bid over the FMV of an item. Each item must have this value listed before it can be put up for auction.**

Check one: Item will be delivered to the camp before July 15th (delivery deadline)
Items received after July 15th have a great likelihood of not making it on the Live Auction.
 An LOMT representative should contact regarding pick-up of item.
