

Ready to Junior Staff? Plan Now for Summer 2012

By now you are well into the routine of the school year and maybe you have some wonderful memories from your summer. Hopefully, some of those memories include time spent at Camp Lone Star and Lutheran Outdoors Ministry of Texas as a camper or even a Junior Staff member.

As you look forward to the summer of 2012, consider serving your Lord through LOMT and Camp Lone Star as a Junior Staff member. The 2012 Junior Staff Workshop is January 20-22, at Camp Lone Star in La Grange.

Come see what being a Junior Staff member is all about!

The 2012 Junior Staff Workshop

The LOMT Junior Staff Workshop is offered January 20-22 at Camp Lone Star. The workshop allows teens ages 15-18 to get a firsthand look at day-to-day camp life as a junior staff member.

Serve Your Lord as an LOMT Junior Staffer Next Summer

Check-in: Friday, Jan. 20, 8-9 p.m.

Check-out: Sunday, Jan. 22, 1 p.m.

If you are unable to attend a workshop but are interested in serving as a Junior Staff member during 2012, please contact The LOMT Registrar (below) for a staff application.

Whether you are a potential Junior Staffer or a veteran of one or more summers, you are invited to attend the LOMT Junior Staff Workshop. Veterans of the program will have the opportunity to reunite with fellow servants and everyone will get a chance to fellowship, work, and grow in God's Word.

The workshop will be held at Camp Lone Star January 20-22. We will begin with ice breakers, games and finish Friday night with a "CLS style" evening devotion.

Saturday is spent working on various work projects around camp and learning more about

what role the Junior Staff play in ministry during each summer session.

The weekend concludes on Sunday with a morning of singing, study, and a Q&A session for any unanswered questions about the program.

Participation in the workshop is not mandatory for Junior Staff selection, nor does it guarantee selection. It is beneficial in that it allows those interested in applying for the Junior Staff program the ability to better understand the role, responsibilities and expectations of the position.
