PURPOSE:

To provide the opportunity for Church adult leader to accompany your Confirmation, youth, or children's group to a regular camp session. We truly believe that a group registration option will enhance the community and spiritual experience for your youth because you, the leader, will be with them after camp to reinforce the lessons of the week.

EXPECTATIONS OF THE PIONEER GROUP LEADER(S):

You have the option of meeting with the young people in your group for a designated one or two-hour period each evening, Monday through Thursday. If you choose to use this time, the camp staff will not be involved with your youth during this period. You may decide to lead a Bible study, take a hike, play a game or use this time as you deem appropriate to connect with your group.

We encourage you to take this week as an opportunity to engage with your students during their daily activities; however, you are also welcome to use this week for personal growth and renewal.

ACCOMMODATIONS FOR PIONEER GROUP LEADERS:

You and other Pioneer Group Leaders will stay in separate quarters with private bathrooms and linen service. Please bring your own towels for swimming and lakefront activities. Each week one room will be reserved for male leaders, and one for female leaders. Campers are not to be in the facility used by Pioneer Leaders.

CAMPER EXPERIENCE:

The youth you bring to Pioneer Camp are integrated into regular cabin groups and supervised by college-aged counselors. The groups consist of no more than ten young people of the same gender and similar ages. Generally, no more than three or four individuals from the same congregation are likely to be placed in the same counselor group. Each group generally participates in typical camp activities, such as swimming, Bible study, canoeing, archery, challenge course, and campfire devotions.

The week concludes on Friday with a lunch and closing program for the entire camp. Parents, family members and friends are invited to join you and your youth for lunch at a cost of \$8.00 per person. The closing program immediately follows lunch at 12:45 pm. Campers depart after the program.

REGISTRATION:

Pioneer reservations are done as a group through the group leader. Individual summer camp registrations are not accepted for the Pioneer Camp program. To register your group, turn in the registration form with the deposit or visit our website at WWW.LOMT.COM.

A church group leader will initiate the registration process by reserving spaces with a deposit. All registration information must be at the camp a full two weeks before your camp session. Upon receiving registration form and deposit, the group leader will receive detailed instructions for completing their groups registration. The camp will bill the church for the final payment which is due two weeks before check-in.

COST:

Each Pioneer Camper receives a discount off of the regular full rate of summer camp. Reservation rates for Pioneer campers for 2018 are \$442/person before May 1 and \$499/person after April 30.

There is no charge for the first adult leader. If you have more than ten campers and bring an additional adult leader, that person's discounted fee is reduced by ten percent for each camper above the original ten campers who attend.
